

## VOLUNTEER FORM UNIÃO ZOÓFILA

There is a group of volunteers who are selflessly dedicated to helping the hundreds of animals which depend on this Association.

To be part of this group, you must be prepared to carry out tasks such as cleaning animal boxes and circulation corridors, brushing and petting our animals, hanging and picking up blankets, helping with the collection and storage of food, etc.

It is important to have a regular attendance of at least 15 to 15 days, as this is important to increase your experience in handling animals and to gain the confidence of animals, staff and other volunteers who you will work with.
